### Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

### STUDENT'S RIGHT TO CANCEL

Any 'private pay' student has a right to a full refund of all charges paid in advance if she/he cancels this agreement during the Cancellation Period which is prior to or on the first day of instruction, or the seventh day after enrollment, whichever is later. There is a \$100 nonrefundable registration fee, and a \$200 nonrefundable textbooks and supplies fee.

The 'private pay' student may cancel an enrollment agreement and receive a refund by providing a written notice to Computer Technologies Program, 3075 Adeline Street, Suite 240, Berkeley, CA 94703.

If you cancel, any payment you have made, less the nonrefundable charges described above, and any negotiable instrument signed by you shall be returned to you within 10 days following the school's receipt of your cancellation notice. But if the school gave you any equipment, you must return the equipment within 10 days of the date you signed a cancellation notice. If you do not return the equipment within this 10-day period, the school may keep an amount out of what you paid equal to the price of the equipment written in the contract.

To cancel the contract for school, mail or deliver a signed and dated copy of this cancellation notice, or any other written notice, to:

Computer Technologies Program  
3075 Adeline Street, Suite 240  
Berkeley, CA 94703

I cancel the contract for school.
